

PTA BOARD MEETING
July 22, 2008
Kings Park ES

Attending:

Mark Crabill, President
Nancy Grass, VP Kings Glen
Leslie Rudisill, VP Kings Park
Linda Avers, VP Education
Stephanie Turner, Treasurer
Maria Lopez, Secretary
Sam Elson, Principal Kings Glen ES
Sarah Skerker, Principal Kings Park ES
Marc Sasseville, 2007/08 Secretary

Meeting was called to order.

Marc Sasseville updated us on the status of the by-law renewal. He has submitted the required documentation to the State and expects a stamp of approval in the near future. He has agreed to stay on task and follow this until we have what is necessary from the state to move forward. A motion was made, seconded and carried to adopt the new by-laws submitted to State.

We discussed increasing the membership fee. The forms that are completed for membership tend to be confusing...\$10/member v. \$10/family. We have to pay a total of \$2.75 per individual and if the form is completed with both parents' names, then we don't make as much per family. We do not have the data necessary to make a decision this year, but will certainly keep better data for the 2008/09 school year membership drive and revisit this prior to 2009/10.

Discussion and approval for the purchase of signs that we can continually use for different events throughout the school year.

A motion was made, seconded and carried to disburse \$100 teacher disbursements for classroom enrichment at the welcome back luncheon in August.

Discussion for several fundraising ideas. A final decision to purchase and sell spirit wear at open house (both KP & KG) and at each school's back to school nights. This is first time we have purchased items up-front as opposed to ordering.

Finally, general discussion of budget items to create budget for 2008/09 school year. We also set a tentative calendar to be finalized/approved at a future date.

The meeting was adjourned at 8:30 p.m.
