## IT TAKES A WHOLE TEAM

There are six of us on the PTA board. However, there are dozens more that volunteer, often behind the seams, to keep the PTA afloat. It would be extremely hard for us to name every single one of you, and we'd probably forget someone. But we appreciate you – the PTA could not function without you. From creating fliers, making copies, organizing staff appreciation initiatives, serving on a committee, taking a shift at an event, volunteering goods and services, supporting our fundraisers, proactively reaching out and giving us constructive feedback, and everything else...

This community is amazing. Thank you.
