FREQUENTLY ASKED QUESTIONS

How do points work?

Every \$10 donated on mybooster.com equals 100 points earned.
Every share also equals 100 points.

What if I have more than one child at the school?

Points displayed will automatically be the combined total of points earned for all of the kids associated with that parent account. The order will automatically be assigned to the oldest student associated with the parent account. When orders arrive at the school and are passed out, the oldest will be the one who will get to bring it home.

When will my student(s) get their order?

Orders will ship to the school a week after the store closes.
The day the store closes will display on your mybooster.com account.

Can I place an order early?

Yes! Just know that it won't be processed and shipped to the school until after the store closes for the entire school. If you place a second order, it will automatically be combined with your first order once it's processed.

How do I know my order has been placed?

You will see a confirmation pop up and receive a confirmation email once the order has been successfully placed. If you do not receive an email, please double check your cart to make sure the order was completely processed.

Have more questions?

Reach out to our team using the Help Center on your mybooster.com parent dashboard.
